

Westinghouse SURE: Vision ★ Mission ★ Values

Vision: To honor the legacy of George Westinghouse by cultivating community service and building shared friendships and experiences among fellow Westinghouse Retirees.

Mission: Service Uniting Retired Employees – fostering a sense of "community" among Westinghouse retirees through shared volunteering opportunities, shared social activities, and shared services to our members. To serve our communities as a charitable organization through volunteering by members; to serve our members by offering them services and activities.

Values:

- **Volunteerism:** Encourage members to participate in charitable causes generously, without expectations*
- **Quality:** Strive for excellence using our knowledge and skills and talent to carry out our mission with professionalism, integrity and commitment
- **Membership:** Improve the SURE membership experience on a continual basis and encourage spouses to participate in all SURE activities
- **Honor:** Honor the legacy of George Westinghouse and nurture a beneficial relationship with Westinghouse Electric Company
- **Community:** Be sensitive to the needs of others by listening and responding to their concerns
- **Goal:** Strive to deliver a continuously improving experience for our members

**Religious and/or political organizations are excluded from SURE*
